

# NATURAL GAS ENGINES

## Applicable Requirements and Compliance Certification (Engines greater than 50 Horsepower located in San Joaquin Valley Air Pollution Control District)

This form may be used in lieu of standard form "Part D – Compliance Certification." If you choose to use this form, it must be accompanied by the Applicable Requirements and Compliance Certification forms for General Farming Operations in San Joaquin Valley, and other equipment and operation forms as applicable. Refer to the attached San Joaquin Valley – Part D instructions for more information.

<b>1. Equipment Description:</b> Describe each natural gas fired IC engine. Engines should all be fired on PUC quality natural gas.				
	<u>Make</u>	<u>Model</u>	<u>Horsepower</u>	<u>Serial Number</u>
Example	WAUKESHA	F3521GL	615	S/N 254523
